

SPECIES OF CONCERN AND SPECIES OF INTEREST ASSOCIATED WITH GRASSLANDS, SHRUBLANDS, OPEN WOODLANDS, OPEN WETLANDS/BOGS, SHALE BARRENS, ROCK OUTCROPS, TALLUS SLOPES AND/OR EARLY SUCCESSIONAL WOODY HABITAT

Plants	Birds	Mammals	Reptiles/Amphibians	Insects
Pearly everlasting	Upland sandpiper	Eastern fox squirrel	Smooth green snake	Barren's tiger beetle
Bent milkvetch	Prairie warbler	Least weasel		Two-spotted skipper
Tall thistle	Loggerhead shrike	Snowshoe hare		Regal fritillary
Toothed tick-trefoil	Red-headed woodpecker	Small-footed bat		Silver-bordered fritillary
Smooth coneflower	Northern bobwhite			Pink-edged sulphur
Slender wheatgrass	Henslow's sparrow			Northern crescent
Yellow avens	Appalachian's Bewicks			
Low cudweed	Wren			
Appalachian fir clubmoss	Barn owl			
Ground juniper	Golden-winged warbler			
Stiff goldenrod	Alder flycatcher			
Yellow nailwort	Swamp sparrow			
Canby's mountain lover	King rail			
Tall cinquefoil				
Canada plum				
Winged cudweed				
Prairie rose				
American red raspberry				
Small skullcap				
Three-toothed cinquefoil				
Rand's goldenrod				
Narrow-leaved blue curls				
Kate's mountain clover				
Canada anemone				
Dragon's mouth				
Rough-leaved aster				
Buxbaum's sedge				
Field sedge				
Crested sedge				
Inland sedge				
Slender sedge				
Schweinitz's sedge				
Toothed flatsedge				
Flat-stemmed spikerush				
Nodding wild rye				

SPECIES OF CONCERN AND SPECIES OF INTEREST ASSOCIATED WITH GRASSLANDS, SHRUBLANDS, OPEN WOODLANDS, OPEN WETLANDS/BOGS, SHALE BARRENS, ROCK OUTCROPS, TALLUS SLOPES AND/OR EARLY SUCCESSIONAL WOODY HABITAT (continued)

Plants	Birds	Mammals	Reptiles/Amphibians	Insects
Linear-leaved willow-herb				
White buttons				
Spotted joe-pye weed				
American manna-grass				
Virginia sneezeweed				
Kankakee globe-mallow				
Small-head rush				
Winged loosestrife				
Marsh muhly				
Maidencane				
Large purple fringed orchid				
Purple fringeless orchid				
Bog bluegrass				
Fowl bluegrass				
Hill's pondweed				
Oakes pondweed				
Long-lobed arrowhead				
Slender marsh rose-pink				
Swamp saxifrage				
Northeastern bulrush				
Virginia mallow				
Riverbank goldenrod				
Bog goldenrod				
Freshwater cordgrass				
Russow's peatmoss				
Large cranberry				

SPECIES OF CONCERN AND SPECIES OF INTEREST ASSOCIATED WITH A MIXTURE OF MATURE FOREST AND GRASSLANDS, SHRUBLANDS, OPEN WOODLANDS, OPEN WETLANDS/BOGS, SHALE BARRENS, ROCK OUTCROPS, TALLUS SLOPES, AND/OR EARLY SUCCESSIONAL WOODY HABITAT

Plants	Birds	Mammals	Reptiles/Amphibians	Insects
Hairy rockcress	Ruffed grouse	White-tailed deer	Coal skink	Appalachian grizzled
Bristly sarsaparilla	Northern saw-whet owl	Gray squirrel	Northern pinesnake	skipper
Great Indian-plantain	Hermit thrush	Black bear	Big levels salamander	Frosted elfin
Blue wild-indigo	Black-billed cuckoo	Fisher	Eastern box turtle	Herodias underwing
American barberry	Olive-sided flycatcher	Alleghany woodrat	Mountain earth snake	Persius duskywing
Mountain paper birch	Black-throated blue warber	Southern rock vole	Eastern tiger salamander	Pine barrens underwing
Wild chess	Cerulean warbler	Indiana bat	Spotted turtle	Northern barrens tiger
Wild hyacinth	Blackburnian warbler	Virginia big-eared bat	Wood turtle	beetle
Necklace spike sedge	Magnolia warbler	Silver-haired bat		Early hairstreak
Variable sedge	Peregrine falcon	Hoary bat		Mottled duskywing
Virginia white-haired	Red crossbill	Red bat		Olympia marble
leatherflower	Wild turkey	Eastern pipistrelle		Hoary elfin
Purple clematis	American woodcock			Tawny crescent
Pear hawthorn	Golden eagle			Diana fritillary
Prunose hawthorn	Chuck-will's widow			Properigea costa
Tall larkspur	Whip-poor-will			Atlantis fritillary
Sessile-leaf tick-trefoil	Purple finch			Northern crescent
Western wallflower	Brown creeper			Talus coil
Box huckleberry	Kentucky warbler			Rubble coil
Low frostweed	Mourning warbler			Maggy coil
Plains frostweed	Golden-crowned kinglet			Maryland coil
Smooth sunflower	Red-breasted nuthatch			Rust coil
Canada bluets	Yellow-bellied sapsucker			
Blue Ridge St. John's-wort	Winter wren			
Grooved yellow flax	Acadian flycatcher			
American fly-honeysuckle	Bald eagle			
Starry false Solomon's seal	Northern waterthrush			
Drooping bluegrass				
Torrey's mountain-mint				

SPECIES OF CONCERN AND SPECIES OF INTEREST ASSOCIATED WITH A MIXTURE OF MATURE FOREST AND GRASSLANDS, SHRUBLANDS, OPEN WOODLANDS, OPEN WETLANDS, SHALE BARRENS, ROCK OUTCROPS, TALLUS SLOPES, AND/OR EARLY SUCCESSIONAL WOODY HABITAT (continued)

Plants	Birds	Mammals	Reptiles/Amphibians	Insects
Sweet pinesap				
Virginia false-gromwell				
White-grained mountain Ricegrass				
Hairy beardtounge				
Sword-leaved phlox				
Rock skullcap				
Snowberry				
Mountain least trillium				
American purple vetch				
Inflated sedge				
Carolina redroot				
Shale-barren blazing star				
Loesel’s twayblade				
Shining ladies’-tresses				
Yellow-nodding ladies’-tresses				
Nannyberry				
Prairie violet
